

Performance Data

As an independent specialist school, the focus of our teaching and learning is preparing students for adulthood and equipping them for life in 21st Century Britain. When they are ready and able, our students take SATs, GCSEs and a host of other qualifications and certificates.

Please be aware that because we are a small school with small cohorts there are occasions when individual students could be identifiable from the publication of performance data. In these circumstances, to protect our students' identities, this data is suppressed.

KS2 (end of primary school) results 2022-2023

Not applicable as currently there are no key stage 2 students.

KS4 (end of secondary school) results 2022-2023

Progress Score =

English – 88%

Mathematics – 88%

Science 75%

- **Attainment** score = 0
- Percentage of students who achieved a strong pass (grade 5 or above) in English and Mathematics at the end of key stage 4 = None Entered
